

**F.J. REITZ HS**  
**CLASS OF 2022**  
**(Current Juniors)**

# Presentation Objectives

- ◎ Review **graduation requirements**
- ◎ Review **diploma designations**
- ◎ Review the benefits of **AP** and **college credit** courses
- ◎ Discuss **course enrollment sheet**

# Graduation Requirements

## OPTION 1

◎ Earn a diploma

◎ Pass the ISTEP

## OPTION 2

### Indiana High School Graduation Requirements

Beginning with the Class of 2023

These requirements seek to ensure that every student graduates from high school with:

1. A strong foundation of academic and technical skills
2. Demonstrable employability skills that lead directly to meaningful opportunities for postsecondary education, training, and gainful employment
3. A broad awareness of and engagement with individual career interests and associated career options

**1**

#### High School Diploma

Earn one of the diploma designations:

- Core 40
- Academic Honors
- Technical Honors
- General

**2**

#### Learn & Demonstrate Employability Skills

Complete at least one of the following experiences:

- Project-Based Learning Experience
- Service-Based Learning Experience
- Work-Based Learning Experience

**3**

#### Postsecondary-Ready Competencies

Must meet at least one of these competencies

- Honors Diploma: Fulfill all requirements of either the Academic or Technical Honors diploma
- ACT: College-ready benchmarks
- SAT: College-ready benchmarks
- ASVAB: Earn at least a minimum AFQT score to qualify for placement into one of the branches of the US military
- State- and Industry-recognized Credential or Certification
- Federally-recognized Apprenticeship
- Career-Technical Education Concentrator: Must earn a C average in at least two non-duplicative advanced courses (courses beyond an introductory course) within a particular program or program of study
- AP/IB/Dual Credit/Cambridge International courses or CLEP Exams: Must earn a C average or higher in at least three courses
- Locally created pathway that meets the framework from and earns the approval of the State Board of Education.

# Diploma Designations

- ⦿ Core 40
- ⦿ Core 40 w/ Academic Honors
- ⦿ Core 40 w/ Technical Honors

**INDIANA**  
**CORE40**

Effective beginning with students who enter high school in 2012-13 school year (class of 2016).

Course and Credit Requirements	
<b>English/ Language Arts</b>	<b>8 credits</b> Including a balance of literature, composition and speech.
<b>Mathematics</b>	<b>6 credits (In grades 9-12)</b> 2 credits: Algebra I 2 credits: Geometry 2 credits: Algebra II <small>Students may complete Algebra I, II, and III for 6 credits. Students must take a math course or quantitative reasoning course each year in high school.</small>
<b>Science</b>	<b>6 credits</b> 2 credits: Biology I 2 credits: Chemistry I or Physics I or Integrated Chemistry-Physics 2 credits: any Core 40 science course
<b>Social Studies</b>	<b>6 credits</b> 2 credits: U.S. History 1 credit: U.S. Government 1 credit: Economics 2 credits: World History/Civilization or Geography/History of the World
<b>Directed Electives</b>	<b>5 credits</b> World Languages Fine Arts Career and Technical Education
<b>Physical Education</b>	<b>2 credits - EVSC requires 3 credits</b>
<b>Health and Wellness</b>	<b>1 credit</b>
<b>Electives*</b>	<b>6 credits</b> <small>(College and Career Pathway courses recommended)</small>
<b>40 Total State Credits Required</b>	
<b>+1 additional PE credit</b>	
<b>41 Total Credits</b>	

EVSC requires 3 Physical Education credits.

\* Specifies the number of electives required by the state. High school schedules provide time for many open electives during the high school years. All students are strongly encouraged to complete a College and Career Pathway (selecting electives in a deliberate manner) to take full advantage of career and college exploration and preparation opportunities.

**CORE40 with Academic Honors** (minimum 47 credits)

For the Core 40 with Academic Honors diploma, students must:

- Complete all requirements for Core 40.
- Earn 2 additional Core 40 math credits.
- Earn 6-8 Core 40 world language credits (6 credits in one language or 4 credits each in two languages).
- Earn 2 Core 40 fine arts credits.
- Earn a grade of a "C" or better in courses that will count toward the diploma.
- Have a grade point average of a "B" or better.
- Complete one of the following:
  - Earn 4 credits in 2 or more AP courses and take corresponding AP exams
  - Earn 6 verifiable transcribed college credits in dual credit courses from the approved dual credit list.
  - Earn two of the following:
    - A minimum of 3 verifiable transcribed college credits from the approved dual credit list,
    - 2 credits in AP courses and corresponding AP exams,
    - 2 credits in IB standard level courses and corresponding IB exams.
  - Earn a composite score of 1250 or higher on the SAT and a minimum of 560 on math and 590 on the evidence based reading and writing section.
  - Earn an ACT composite score of 26 or higher and complete written section
  - Earn 4 credits in IB courses and take corresponding IB exams.

**CORE40 with Technical Honors** (minimum 47 credits)

For the Core 40 with Technical Honors diploma, students must:

- Complete all requirements for Core 40.
- Earn 6 credits in the college and career preparation courses in a state-approved College & Career Pathway and one of the following:
  - Pathway designated industry-based certification or credential, or
  - Pathway dual credits from the approved dual credit list resulting in 6 transcribed college credits
- Earn a grade of "C" or better in courses that will count toward the diploma.
- Have a grade point average of a "B" or better.
- Complete one of the following:
  - Any one of the options (A - F) of the Core 40 with Academic Honors
  - Earn the following scores or higher on WoodKeys, Reading for Information - Level 6, Applied Mathematics - Level 6, and Locating Information - Level 5.
  - Earn the following minimum score(s) on Accuplacer, Writing 80, Reading 90, Math 75.
  - Earn the following minimum score(s) on Compass: Algebra 66 Writing 70, Reading 80.

# Academic Honors Requirements

## ◎ Core 40 w/ Academic Honors Diploma

- Core 40
- Mathematics (+2)
- World Language (6-8)
- Fine Arts (+2)
- Grades (C or better)
- GPA (B or better)
- AP/CC/SAT/ACT

### **CORE40** with Academic Honors *(minimum 47 credits)*

For the **Core 40 with Academic Honors** diploma, students must:

- Complete all requirements for Core 40.
- Earn 2 additional Core 40 math credits.
- Earn 6-8 Core 40 world language credits (6 credits in one language or 4 credits each in two languages).
- Earn 2 Core 40 fine arts credits.
- Earn a grade of a "C" or better in courses that will count toward the diploma.
- Have a grade point average of a "B" or better.
- Complete one of the following:
  - A. Earn 4 credits in 2 or more AP courses and take corresponding AP exams
  - B. Earn 6 verifiable transcribed college credits in dual credit courses from the approved dual credit list.
  - C. Earn two of the following:
    1. A minimum of 3 verifiable transcribed college credits from the approved dual credit list,
    2. 2 credits in AP courses and corresponding AP exams,
    3. 2 credits in IB standard level courses and corresponding IB exams.
  - D. Earn a composite score of 1250 or higher on the SAT and a minimum of 560 on math and 590 on the evidence based reading and writing section.\*\*
  - E. Earn an ACT composite score of 26 or higher and complete written section
  - F. Earn 4 credits in IB courses and take corresponding IB exams.

# Technical Honors Requirements

## ◎ Core 40 w/ Technical Honors

- Core 40
- College & Career Pathway (+6)
- Grades (C or better)
- GPA (B or better)
- AP/CC/SAT/ACT/  
Workkeys/Accuplacer

### **CORE40** with Technical Honors

*(minimum 47 credits)*

For the **Core 40 with Technical Honors** diploma, students must:

- Complete all requirements for Core 40.
- Earn 6 credits in the college and career preparation courses in a state-approved College & Career Pathway and one of the following:
  1. Pathway designated industry-based certification or credential, or
  2. Pathway dual credits from the approved dual credit list resulting in 6 transcribed college credits
- Earn a grade of "C" or better in courses that will count toward the diploma.
- Have a grade point average of a "B" or better.
- Complete one of the following,
  - A. Any one of the options (A - F) of the Core 40 with Academic Honors
  - B. Earn the following scores or higher on WorkKeys: Reading for Information – Level 6, Applied Mathematics – Level 6, and Locating Information - Level 5.
  - C. Earn the following minimum score(s) on Accuplacer: Writing 80, Reading 90, Math 75.
  - D. Earn the following minimum score(s) on Compass: Algebra 66, Writing 70, Reading 80.

# What are Advanced Placement (AP) Courses?

## ◎ The Benefits:

- **A chance to experience college-level work while still in high school**
  - Research shows that students who take an AP course in high school, regardless of what they scores on the AP exam, are more likely to graduate college in four years.
- **A chance to earn college credit and placement**
  - Passing an AP exam earns students a minimum 3 college credit or advanced placement in a specific area of study.

## ◎ Things to Know:

- **AP courses on notes on your enrollment sheet with an “AP” in the course title**
- **Any student can enroll in an AP course**
  - Talk with your counselor about your areas of interest and postsecondary plan to determine whether an AP course it right for you!
- **AP courses are weighted on your high school transcript**
  - For example, earning a “B” in an AP course is like earning an “A” in a non-AP course.
- **There is a fee to take an AP exam (currently \$94) but qualifying students can receive assistance in paying for their exams.**
  - For example, this year the state of Indiana is covering the cost of all English, math, and science AP exams along with the exam fee for any student on free and reduced lunch.

# Reitz AP Course Offerings

## ⦿ English

- AP English Language & Composition
- AP English Literature & Composition

## ⦿ Mathematics

- AP Calculus AB
- AP Calculus BC
- AP Statistics

## ⦿ Science

- AP Chemistry
- AP Biology
- AP Physics I

## ⦿ Social Studies

- AP U.S. History
- AP World History
- AP Psychology

## ⦿ Fine Arts

- AP Studio Art 2-D Design
- AP Studio Art 3-D Design
- AP Studio Art Drawing
- AP Music Theory

# What are College Credit Courses?

## ◎ The Benefits:

- Chance to experience college-level work while still in high school
- Chance to earn college credit
  - Students earn both high school and college credit during their regular high school day

## ◎ Things to Know:

- Any student can take a college credit course as long as they meet the universities requirements
  - College credit courses often have a GPA or test score requirement to qualify for enrollment into the course
- College credit courses are weighted on your high school transcript on a 4.5 GPA scale.
- College credit courses are taught by qualified high school instructors in partnership with USI and Ivy Tech.
- 
- Some college credit courses have a course fee (often \$25 a credit hour) but qualifying students can receive assistance in paying the exam fee.
  - The course fee is significantly less than what you would pay for the course in college.
- College credit courses are noted on the student's course request sheet by a "CC" next to the course title.

# Reitz College Credit Course Offerings

- ◎ English
  - Advanced Speech & Communications CC (3 credits)
- ◎ Mathematics
  - Pre-Calculus/Trigonometry H CC (6 credits)
  - Quantitative Reasoning CC (3 credits)
- ◎ Social Studies
  - Economics H CC (3 credits)
  - U. S. Government H CC (3 credits)
- ◎ World Language
  - German IV CC (6 credits + 3 USI department credits)
  - Spanish IV CC (6 credits + 3 USI department credits)
- ◎ Career & Technical Education (CTE)
  - PLTW Intro to Engineering Design CC (6 credits)
  - PLTW Principles of Engineering CC (3 credits)
- ◎ Business
  - Digital Applications CC (3 credits)
  - Computer Illustrations & Graphics CC (3 credits)

# Choose a Diploma Designation

- Choose a diploma designation on your enrollment sheet.

Diploma Designation	
<input type="checkbox"/>	Core 40
<input type="checkbox"/>	Core 40 Academic Honors
<input type="checkbox"/>	Core 40 Technical Honors

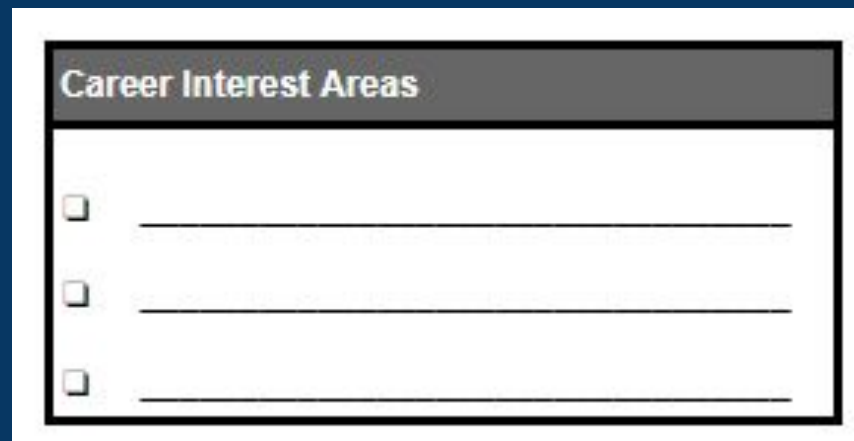

# Choose an Employability Skill

- Choose an employability skill designation on your enrollment sheet.

The image shows a rectangular form with a dark grey header bar containing the text "Employability Skills". Below the header, there are two rows. The first row starts with a small square checkbox followed by the text "Service Based". Below this text is a horizontal line. The second row starts with a small square checkbox followed by the text "Work Based". Below this text is another horizontal line. The entire form is enclosed in a white border.

# Choose a Career Interest Area/s

- Identify and write at least one career interest area in the corresponding box on your enrollment sheet.

The image shows a rectangular form with a white background and a black border. At the top, there is a dark gray header bar with the text "Career Interest Areas" in white. Below the header, there are three rows. Each row starts with a small square checkbox on the left side, followed by a horizontal line for writing. The rows are empty, indicating that no information has been entered yet.

# What are EVSC Innovative School Programs?

## ◎ The Benefits:

- Differentiated instruction aligned to student interests
- Some programs offer college credit courses not offered at Reitz
- Some programs offer Career & Technical Education Certifications not offered at Reitz, which also will help students meet Graduation Pathway requirements.

## ◎ Things to Know:

- These programs (except JROTC) require that students complete an application and be accepted into the program
- Seniors typically leave Reitz around 11:10 am and return to Reitz around 2:30 pm
  - Periods 1-4 at Reitz
  - Periods 5-8 at innovative school program
  -

- ◎ Some SICTC classes offer AM and PM courses to seniors

# EVSC Innovative School Programs

- ◎ If you currently attend or plan to apply for an innovative model program, mark the corresponding box on your enrollment form.
  
- ◎ SICTC application link:
  - <https://applytosictc.com/>

- Choose an English course
  - Reminder: Students pursuing an Academic Honors diploma must take English 12A or AP.
  
- Choose a math course
  - Reminder: You must complete both Geometry & Algebra II before moving into any other math course
  
- Choose a Government and Economics course
  
- Choose a science course
  - Only required if you haven't already taken your 3rd year of science

# Possible Required Courses

<b>Physical Education Electives &amp; Health</b> (Required if not taken in 10th or 11th Grade)	
0915	<input type="checkbox"/> Health & Wellness (1 sem course if not already taken)
0904	<input type="checkbox"/> Strength & Conditioning (1 sem)
0905	<input type="checkbox"/> Personal Fitness (1 sem)
0907	<input type="checkbox"/> Lifetime Sports (1 sem)
0908	<input type="checkbox"/> Aerobics (1 sem)
0909	<input type="checkbox"/> Team Sports (1 sem)

<b>World Languages*</b> (Note: 3 years of one language or 2 years of 2 languages are required for Academic Honors Diploma)	
0206	<input type="checkbox"/> German I
0207	<input type="checkbox"/> German II (German I req.)
0208	<input type="checkbox"/> German III (German II req.)
0230	<input type="checkbox"/> German IV CC** (German III req.)
0210	<input type="checkbox"/> German V (German IV req.)
0213	<input type="checkbox"/> Latin II (Latin I req.)
0214	<input type="checkbox"/> Latin III (Latin II req.)
0217	<input type="checkbox"/> Spanish I
0218	<input type="checkbox"/> Spanish II (Spanish I req.)
0219	<input type="checkbox"/> Spanish III (Spanish II req.)
0231	<input type="checkbox"/> Spanish IVCC** (Spanish III req.)
0221	<input type="checkbox"/> Spanish V (Spanish IV req.)

- ◎ Most PE and Health courses are complete your 9th, 10th, and 11th grade year. However, if you need to take PE I, PE II, Health, or a PE elective, please choose the appropriate course as these are required for graduation.
  - You may also choose to take additional PE elective courses if you desire.
- ◎ If you are pursuing an Academic Honors diploma and have not completed 3 years of one language or 2 years of two different languages, you will need to choose the appropriate world language course.
  - You may also choose to take world language beyond level three if you desire.

# Additional Electives (on back of sheet)

- ◎ Choose enough electives to make your overall course selections equivalent to 7 full-year courses
  - Reminder: Some courses are only offered for one semester. You will need to choose 2 one semester courses to equal a full year.
  
- English Electives
- Social Studies Electives
- Fine Art Electives
  - Music, theatre, and art
  - Reminder: 2 fine arts credits are required for an Academic Honors Diploma
  
- Career & Technical Education (CTE) Electives
  - Business, Marketing, & IT
  - Family and Consumer Science
  - Technology/Engineering
  - Work-based learning (WBL)

# What is Work-based Learning?

- ◎ Work-based Learning Capstone experiences occur in workplaces.
  - Employers assign a student meaningful job tasks to develop his or her skills, knowledge, and readiness for work.
  - A training plan is developed by the student, teacher, and workplace mentor/supervisor to guide the student's work-based experiences and assist in evaluating achievement and performance.
- ◎ Students have the opportunity to earn high school credit.
  - A student must have already taken one advanced course in a CTE pathway to qualify for work-based learning.
  - A student must take another advanced course in the same CTE pathway while concurrently enrolled in work-based learning.
  - A student must have a worksite placement that aligns with their CTE pathway.
  - Students may be released from school 7th and 8th period to report to their worksite placement.

# Alternate Electives

- ◎ Students do not always get the courses they request.  
This is the result of:
  - Schedule conflicts
  - Teacher changes
  - Lack of interest in a course
  - Not having the required pre-requisite course(s)
- ◎ As a result, we need all students to choose 3 alternate electives on their enrollment sheets.

Alternate Electives	
<input type="checkbox"/>	_____
<input type="checkbox"/>	_____
<input type="checkbox"/>	_____

# 2021-2022 Course Description Guide

- Located under the Academic & Programs tab on the Reitz website:  
[www.evscschools.com/reitz](http://www.evscschools.com/reitz)
- Students and parents are encouraged to read the course descriptions of any courses they are considering.
- The guide will be updated every year and posted on the website in November.
- Guide includes ISHAA and NCAA eligibility requirement for athletes.

# Other Considerations

When choosing your courses, consider the following:

- ◎ How do I balance my school work and my extracurricular activities?
  - Am I signing up for too many advanced courses?
  - Can I challenge myself by taking more advanced courses?
- ◎ I plan to attend college. Does the college I want to attend have any special requirements for admission (GPA, courses, test scores, etc...)
  - View the college's website for admission information
- ◎ I plan to go straight into the workforce. What classes should I take to prepare myself?

# Questions?

- ◎ If you have questions about what level of math, English, science, or social studies is appropriate for you, please reach out to your current teachers.
- ◎ Please write any additional questions on your enrollment sheet that you have for your counselor.
  - Examples:
    - Do I meet the requirements for this college credit course?
    - Can I have half days (work-based learning)?

# Thank you!

Please turn in your completed course enrollment sheet to your English teacher.

This presentation and the course enrollment sheets can be accessed on the Reitz website.
